Dear Client,

I am writing to advise you that Patsy and I have sold our practice and after 21+ years of serving you, we are retiring. But we are not leaving you without providing a resource for you to still receive the bookkeeping and tax services that you need. We sold the practice to Danny Hayes, EA who owns Sparse Bookkeeping and he will be able to continue providing tax and bookkeeping services as we have in the past. Danny is an Enrolled Agent with the Internal Revenue Service and has all of the experience and expertise necessary to guide you through many tax seasons. He will be in touch with you soon to introduce himself and provide all of the necessary information he needs to carry on the work we have been providing over the years.

We have been with everyone through the years and have shared with you so many of life's changes. We have been honored to be a part of your lives and have made many friends along the way. Now, while we still have the opportunity, we want to take advantage of the time we have for travelling to new places and being with family and watching great-grandchildren grow and explore.

David and Patsy
